# Resource Mobilization Update

---

- STAND trial funding
  - Gates Foundation
  - UK Government (UKAID)
  - US Government (USAID and ACTG)
  - Australian Government (DFAT)
  - Country-specific funding:
    - Fosun agreement (China)
    - MOU with Brazilian government
    - MOU with CSIR in India

**Our programmatic outlook requires a planning process:  
How can we build even stronger strategic partnerships**

# Developing our resource mobilization plan

Building a network of people NOT  
living with TB

# Partner and stakeholder survey

---

## Purpose:

- To enable us to understand and benchmark the perceptions of TB Alliance and our mandate amongst key stakeholders, and explore the latest perspectives on the current and future opportunities the organization may face

## Intended outcome:

- Recommendations for long term engagement with partners and stakeholders

## Timeline:

- Finalized questionnaire to partners and stakeholders (November)
- Results and internal draft report (December)
- Final report (1Q2015)

# Growth of Community Engagement

Number and scale of trials  
require us to expand the  
number of sites and  
communities and leverage  
partners more

# Advocacy and partnerships

---

- Distinguish between resource mobilization linked activities and a public policy and advocacy agenda
- Coming together around a policy and advocacy agenda will strongly benefit from the Stakeholders Association as a group
- Millennium Development Goals: post-2015 update
  - Defending WHA TB goals for post 2015 agenda
  - National level agenda to facilitate trials and access

# Contributing to a bigger and stronger global alliance of TB advocates
